

Comparison of the Senate, House and Governor's education finance and policy proposals going into conference committee (May 2013)

Add your *Voice* along with MREA's responses

Topics	Senate: SF 453, SF 978, SF 522	House HF 630	Governor's Initial Proposals	MREA Responses
Funding:				
Targets	\$292 m plus \$150 m tax relief	\$470 m plus \$30 m tax relief	\$299 m, \$0 in school property tax relief	Support House aid target and Senate tax relief target.
Basic Funding	1% and 0% \$5276 in FY '14, \$5276 equivalent in FY '15 with new PU's (see p. 3)	2% and 2% \$5328 in FY '14, \$5433 in FY '15	1% and 0%	Blend House and Senate with GEL to get 1.5% in FY '14 and somewhat more than 2% in FY '15
Kindergarten	All day K at district's choice in FY '15 at 1.0 PU weighting	All day K at district's choice in FY '15 at 1.0 PU weighting	Optional all day K at district's choice at .70 PU weighting	Support, universal access to all day full day Kindergarten in platform
Basic Supplemental Revenue	\$56 per pupil in FY'15 in new Basic Supplemental Rev is replacement for Equity Levy.	Nothing Senate's position is not new revenue to districts.	Nothing	Support House. Better to raise equalization Tiers and eliminate ANTC levies than replace Equity levy.
Early childhood	Scholarships (MinneMinds) at \$44 m	Scholarships (MinneMinds) at \$50 m and more in tails	Scholarships (Minneminds) at \$44 m	A scholarship commitment date to a program is needed for planning purposes. MREA suggests May 1.
Equity for Districts with less than \$300 referendum	Sliding scale from \$100 per student for districts with no referendum revenue to zero for districts with referendum revenue of \$2,000 per student or above and a uniform allocation of \$56 per student.	Up to \$300 in FY '14 to bring all districts up to \$300. Board can levy up to \$300 with board authority beginning in FY '15, up to \$400 in metro districts	Sliding scale from \$100 per student for districts with no referendum revenue to zero for districts with referendum revenue of \$2,000 per student or above and a uniform allocation of \$56 per student.	Support House. Was in platform. House position closes the 5 th to 95 th gap by 11% and is excellent step in this direction. Blend with Senate EAR (see taxes) beginning in FY '15 to increase equalization of first \$300 of operating levy authority.
Special Education	Nothing	MDE working group's formula recommendations in FY '16	\$125 m to reduce special education cross subsidies, replace current formula, improve excess costs formula, serving district responsible for 10% of unreimbursed costs of open enrolled students	Support Governor, secondly House. Wish more were being done to reduce cross subsidies.
Integration	70%, new eligibility percentages, levy in '14 only	Restores integration aid and levy, more accurate eligibility	90% floor from 'FY 13, new eligibility percentages	Support new percentages as capturing more truly rural diversity

Taxes:	Senate SF 453, SF 978, SF 522	House HF 630	Governor's Initial Proposals	MREA Responses
ANTC: Adjusted Net Tax Capacity GEL: General Ed Levy	\$150 m reduction in levies by moving operating capital, safe schools (ANTC) and Equity (RMV) from levy to aid and creating \$20 m GEL.	Nothing on ANTC	Nothing	Support Senate: Districts should look at possibility of bond election in fall of '13 for school safety, deferred maintenance, everyday all day K facilities, needs local solutions.
RMV: Referendum Market Value	RMV equalization raises 1 st Tier to \$586,000 and lowers the 2 nd Tier to \$259,000 with new pupil unit calculations	Indexes the RMV Tiers to average RMV/PU statewide (RMVEF). Raises the 1 st Tier to 122% of RMVEF and Tier 2 to 66%: (\$526,000 and \$284,560 respectively)	Nothing	Support House approach. The property poorest districts with the largest referendums (highest current tax burdens) get the greatest tax relief in the House position. Not the case in the Senate position
EAR: Education Advancement Revenue	SF 552. \$300 RMV Levy for all districts equalized at \$785,000. Increases in Tier 1 (\$538,000) and decreases T. 2 (\$259,415).	See Equity House Position	Nothing	Blend House Equity and Senate EAR. Closes the 5 th to 95 th gap with highly equalized EAR levy. Concern about limiting Nov 13 referendum elections (FY '15) to renewals only.
Operating Referendum Pupil Basis	Converts operating referendum pupil count from resident pupils to pupils served.	Nothing	Converts operating referendum pupil count from resident pupils to pupils served.	Open enrollment collides with reliance on voter approved referendums. Support House.
Safe Schools Levy	Increased from \$30/PU to \$32/PU	Increased from \$30/PU to \$35/PU	Increased from \$30/PU to \$32/PU	All are absolutely inadequate given threats to safety. See note to consider a local bond election.
Cyrus and Morris	Local bonding authority for Cyrus to demolish building to consolidate with Morris	Local bonding authority for Cyrus to demolish building to consolidate with Morris	Nothing	Support, was a local initiative, MREA was able to assist here for both member districts. Their local legislators worked across the aisle for the kids of these districts.
Policies:	Senate SF 453, SF 978, SF 522	House HF 630	Governor's Initial Proposals	MREA Responses
Safe and Supportive Schools	Separate bill. SF 783. Local Impact Statement: \$26 m. statewide, average \$30/pupil statewide	Separate bill. HF 826. 42 rural districts responded to LIN, inverse relation size to cost: \$38 in smallest districts, \$15 in large urban districts	The bills are from the Governor's Task Force on Bullying. School Climate Center is in Governor's budget at \$1 m.	MREA supports positive and safe school cultures. This bill is an unfunded mandate that will have greater relative impact on medium to smaller school districts.
Repeal of GRAD Rule; assessment reform	In bill in entirety, fierce opposition from Bus Partnership and Chamber over the "cut score" issue	In bill in entirety, fierce opposition expect up to \$1m ad campaign—"Dumming Down the Diploma"	Commissioner Cassellius very active in supporting the repeal of the GRAD and replacement with college entrance suite.	Support both, was part of platform. Contact Reps and Senators, tell your stories of students worthy of graduation.

Policies Cont:	Senate SF 453, SF 978, SF 522	House HF 630	Governor's Initial Proposals	MREA Responses
Teacher Evaluation	One year delay until 15/16	Nothing, \$289 m EM & MSBA estimated costs	FY '15, school districts not participating in the Q-Comp program: \$22 per student	MREA recommends districts develop their own plans. Support Senate.
Statewide health	Voluntary enrollment into PEIP for districts and employees	Mandatory enrollment into PEIP for districts insuring fewer than 1,000 total lives	Nothing	MREA supports a balance of local control and state accountability. Senate position reflects that balance.
2% Staff Development Set Aside	Nothing	Nothing	Nothing	This is likely to be reinstated. Local admin, bd and teacher leaders need to be in communications on this.
World Class Work Force, RCE's district accountability	Nothing	Detailed, 100% goals by 2027 (entering K's), MDE can withhold 4% aid and direct school turnarounds for underperforming districts. 9 RCE's for \$4.5 m.	Expands the state's Regional Centers of Excellence from 3 to 9 centers statewide. \$4.5 m	Support the goals & RCE's in concept. MREA calls for the goals and accountability to be addressed in Task Force of stakeholders and brought back to the '14 legislature.
MTLE Reform	Allows up to 3 years temporary waivers	Allows up to 3 years temporary waivers	Nothing	Support.
Referendum Renewal	Nothing	Nothing	Nothing	MREA supports boards' ability to renew operating referendums.
School Lunch	Adds \$.02 per meal, \$4 m	Adds \$.01per meal, \$2 m	Nothing	Support Senate, both are good
Free Lunch Expansion	If parent state they cannot pay Reduced Lunch Fee, district must provide Class A lunch	Rejected the amendment in committee, nothing in bill.	Nothing	Supports House position. This opens up an unfunded mandate.
School Year	Nothing	Nothing	Nothing	Lost calendar reform in House Ways & Means; no action in Senate
Pupil Units	Simplifies Pupil Units to 1.0 K-6 and 1.2 for secondary, adjusts formulas. Basic formula=\$5,687	Nothing	Simplify student Units 1.0, 1 - 6 and handicapped K, 1.2 for 7 – 12, kindergarten 0.55.	Support the Senate. This does simplify the formula. Needs a larger target so every district is a winner.
Facility Study	Establishes a working group to study facility needs & funding.	Nothing	Nothing	Support Senate position. MREA platform position.
ELL	Can use assessments aligned with state English standards to measure academic English	Nothing	Allows extension of ELL aid from 5 to 7 years	Support Governor
